The seminar provided a platform for experts to deliberate on the critical issues surrounding democratic accountability and the media-court nexus.

10 January 2025 – CHEMPAMPA (Chemistry)

Soap and detergent making; branded washing liquids exhibited.

16-17 January 2025 – PAMPAFEST (All Departments)

Pampa Fest 2025 – A Celebration of Science, Art, and Culture

Devaswom Board Pampa College, established in 1968 on the historic soil of Parumala, continues to uphold its tradition of fostering knowledge, creativity, and community engagement. In this spirit, the institution organized Pampa Fest 2025 on January 16th and 17th at the college campus. The festival was envisioned as a platform to showcase the wonders of science and art, bringing together students, faculty, and the general public in a vibrant celebration of learning and culture. The event featured a diverse array of programs designed to inspire curiosity and creativity. A science exhibition conducted by the esteemed V.S.S.C Trivandrum highlighted innovations and scientific achievements, while the Breakthrough Science Society facilitated astronomical observations, offering participants a rare opportunity to explore the mysteries of the cosmos. The Medifest segment provided health awareness activities, complemented by study classes organized by the Forest Department, which emphasized environmental conservation. Practical skill development was also prioritized through a beekeeping training program led by Mavelikkara HortiCorp, equipping participants with knowledge of sustainable practices. Adding to the cultural vibrancy, the festival included a body show, a thrilling Halloween spectacle, and numerous live competitions for children that encouraged creativity and participation. Pampa Fest 2025 successfully blended science, art, health, environment, and culture, reflecting the holistic vision of Devaswom Board Pampa College. The program not only enriched the academic and extracurricular experiences of students but also strengthened the institution's bond with the wider community.

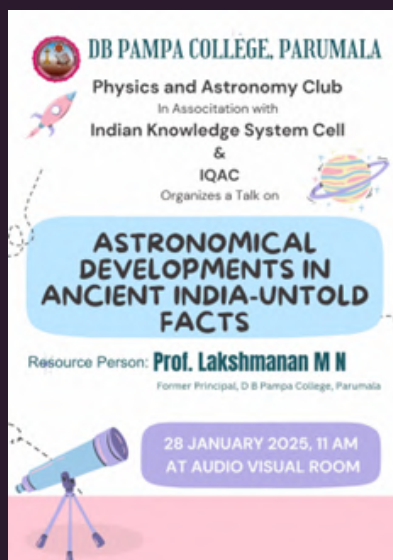

25-27 February 2025 – Nature Camp, Thattekkad (Zoology/Forest Club)

A three-day immersive camp for 35 students focused on biodiversity, ecological surveying, and conservation ethics..

28 January 2025 – Astronomy Talk (Physics)

Invited Talk: "Astronomical Development in Ancient India – Untold Facts" by Prof. Lakshmanan M.N.
Organized jointly by the Physics and Astronomy Club, Indian Knowledge System Cell, and IQAC.

28 January 2025 – Physics Association Inauguration

Chief Guest: Dr. Sheeja P, former HoD of Physics
Included an invited talk and cultural performances by students and faculty.

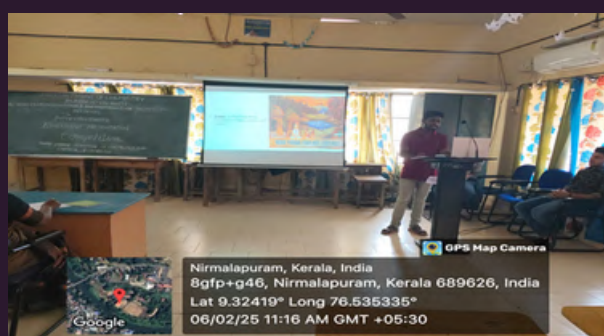

Special Achievement

Sneha Mary Sabu (II DC Physics) was selected for the prestigious Special Sailing Expedition 2025.

29 January 2025 – Beekeeping Add-on Course Begins

Department of Zoology in collaboration with Khadi Gramodyog Bhavan, 32 students received hands-on training in apiculture, integrating theory and practical skills for sustainable livelihoods.

6 February 2025 – Intercollegiate PPT Competition (Chemistry & IKS)

Theme: Indian Tradition of Chemistry.
Winners: Amal Sudhevan, Anjali M. Raj.

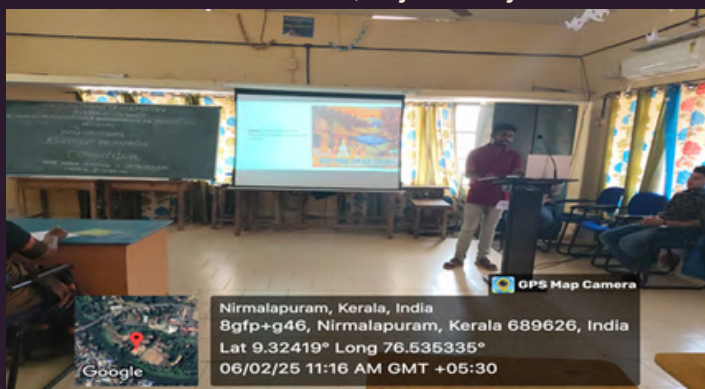

29 January 2025 – ALCHEMY 2025 (Chemistry)

Chemistry Association Inauguration – ALCHEMY Inaugurated by Principal Dr. Sreekala S., with a career-oriented session titled Design Your Destiny by Dr. Ajith James Jose (SB College, Changanacherry).

6 February 2025 – Intercollegiate PPT Competition (Chemistry & IKS)

Theme: Indian Tradition of Chemistry.
Winners: Amal Sudhevan, Anjali M. Raj.

8-10 February 2025 – All India Science Conference

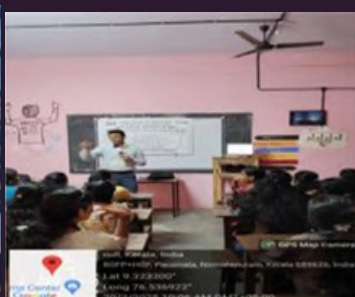

Students and faculty attended the All India Science Conference held in Trivandrum, engaging with national-level scientific discourse.

Department of Mathematics and Pampa Mathematics Club hosted lecture highlighting Madhava's contributions, Kerala's mathematical heritage, and modern impact, featuring Prof. Malini P.M, Retd. Principal, NSS Training College, Pandalam, and Sree Parvathi P.M, Research Scholar, Amrita Vishwa Vidyapeetham, Coimbatore.

10 March 2025 – Women Cell: Accelerate Action

1. Empowerment Program – “Accelerate Action”

👥 Participants: 100

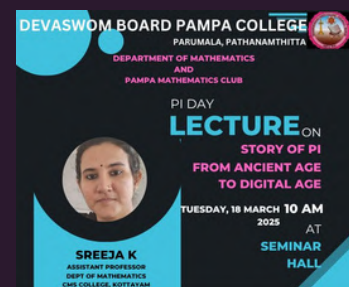

The Women Cell hosted a special event themed “Accelerate Action” to promote gender equality and inspire proactive engagement. Highlights included:

Prayer song by Kumari Aswany (II B.Com)

Welcome by Smt. Vijayalekshmi (Convener)

Presidential Address by Principal Dr. Sreekala S.

Inaugural Address by Dr. M.S. Sunil, emphasizing urgency in women's empowerment and institutional responsibility.

NCC ARMY

Training and Parade Activities

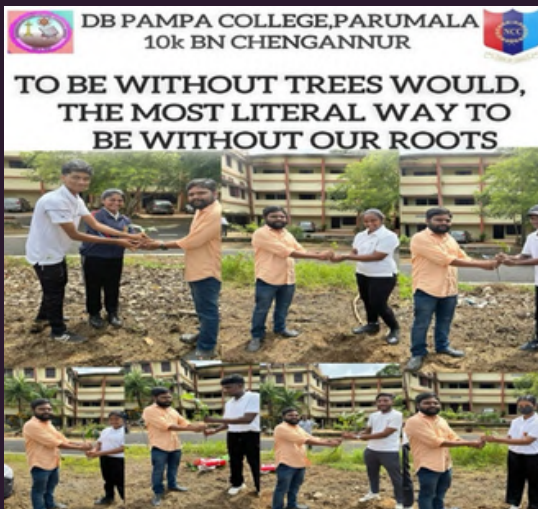

International Yoga Day was observed on 21 June 2024

Republic Day celebrations were held on 26 January 2025

Annual Training Camp (ATC) held at Jawahar Navodaya Vidyalaya (JNV), Chennithala,

NCC- NAVY

Leprosy Awareness Class (12/02/2025)

In an effort to combat public health misconceptions, the NCC Naval Wing organized an intensive Leprosy Awareness Class (Anti-Leprosy Day observation).

- **Session Details:** The unit invited a medical professional to conduct an interactive session. The class covered critical aspects of Hansen's Disease, focusing on early detection signs, transmission vectors, and treatment options.
- **Objective:** The primary goal was to sensitize cadets to the social stigma often faced by patients. The session concluded with a Q&A round where cadets pledged to spread the message that "Leprosy is Curable" within their own neighborhoods and peer groups.

To kickstart the year's activities, the NCC Naval unit observed Republic Day with a dedicated "Clean Ship" drive immediately following the flag-hoisting ceremony.

Blood Donation Drive(2/05/2024)

Demonstrating the spirit of selfless service, the NCC Naval Wing organized a Mega Blood Donation Camp in the latter half of the year.

- **Coordination:** The event was conducted in close collaboration with the medical staff from the district hospital. Cadets played a dual role: many volunteered as donors, while others managed the logistics, including registration, donor screening, and post-donation refreshment distribution.
- **Success:** The drive saw an overwhelming response from the student body and faculty. The collected units were handed over to the blood bank, potentially saving numerous lives. The discipline maintained by the cadets during the crowd management was commended by the medical team.

Vijay Diwas Tree Plantation & Interaction (16/12/2024)

To mark Vijay Diwas (Victory Day) in December 2024, the unit organized a unique program combining patriotism with environmental stewardship.

- **Guest of Honour:** We were privileged to host a retired Army personnel who is a veteran of the armed forces. He addressed the cadets, recounting the history of the 1971 war and sharing inspiring anecdotes of courage and sacrifice.
- **Plantation:** Following the address, the veteran led a tree plantation drive. Cadets planted varied saplings, including medicinal and fruit-bearing trees, dedicating them to the memory of fallen soldiers. This symbolic act linked the memory of our heroes with the growth and life of the new saplings.
